SPECIFICATIONS & ORDERING

Choose, measure, *WhatsApp*

Made to order in Ujire, Karnataka
Delivered across India

01
Pick a design
Note the roof border number from this catalogue — for example BNW-RB 10 or BNW-RB 32.

02
Measure
Measure the total length of the roof edges where the border will run, in running feet. Our measurement guide is on brightnwall.in.

03
Send on WhatsApp
Send the design number, material (PVC or ACP), running feet, height and thickness (and finish for ACP). We reply with a measured quote.

Designs in this catalogue	BNW-RB 01 – 31	BNW-RB 32 – 46
Make any design in	**PVC or ACP — every design (BNW-RB 01 – 46) can be made in either material**	
Cutting	CNC router-cut	CNC router-cut

Payment & *terms*

50% Advance to confirm the order → **50%** Balance before dispatch

Production starts once the advance is received. Dispatch in 2–3 working days after advance.

- Sold by the running foot, supplied in 8 ft pieces. Minimum order 16 running feet.
- Fitting is done at the customer's end. Fixing hardware is not supplied.
- Photos are for design reference; installed look varies with roof, height and light.
- Any design can be made in both PVC and ACP — just mention the design number and material.
- Shipping is extra and confirmed with your quote; borders travel by transport (VRL Logistics).
- Report any transit damage within 48 hours of delivery, with photos.
- GST invoice provided for every order.
- Custom designs made to order — share your idea on WhatsApp.

Found your design? *Let's measure it up.*

Scan or tap to WhatsApp us with your design number and running feet — we'll send your quote.
